

"A fantastic camp ... my boys love it more than any place on earth. They make so many great friends that they will have for life!"

Parent

CAMP WACHUSETT

FOR BOYS SINCE 1903

Since 1903, Camp Wachusett has helped boys aged 8 to 15 discover what is best in themselves while building self-confidence and resilience. We are a family: a caring community that will value and challenge you to embrace sportsmanship, teamwork and responsibility for your actions. At Camp Wachusett, you'll share an experience that forges friendships that last a lifetime.

Unplug and Engage

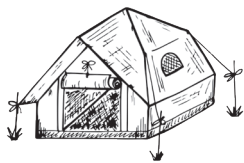

At Wachusett you won't miss your electronic devices. From reveille to lights-out, there's a busy schedule that includes a large selection of activities. You can go sailing or water skiing on Lake Hortonia or hit the tennis courts and work on your serve, or maybe you're up for something new – like camp craft or wood shop. You'll be guided by experienced staff whose enthusiasm is contagious. You'll return home with improved skills – and newfound interests – along with great satisfaction and confidence in your accomplishments.

Learning and Laughter

Imagine getting to spend all day, every day discovering new interests and having fun with teammates, cabin mates and friends around the diner table. You will forge life long friendships that take root when you are together day-in and day-out. Our motto "The camp where friendships grow" dates back to 1930.

A Summer Tradition

Count on seeing familiar faces among the counselors and campers when you return to Camp

Wachusett. You can also expect a program that continues to challenge your skills as you grow and mature. Devote more time to water skiing, canoeing, or climbing your first Vermont mountain. And what could be better than an overnight camping trip: setting up a tent, building a campfire, telling stories and toasting marshmallows with friends, all while gazing at shooting stars or pointing out the milky way?

Indoor and Outdoor Facilities

When you are not out camping, you'll sleep in one of our 12 screened-in cabins – indoor plumbing included! Camp Wachusett offers playing fields, tennis courts, rifle and archery ranges and basketball courts. Water sports take place on Lake Hortonia. Skis are performed along with other indoor activities in our spacious Lodge. We'll keep you going all day long with healthy, hearty meals in the camp dining hall.

What is Unaliyi?

Unaliyi is a Cherokee word which means "a place of friends." You'll see it as part of our camp seal. This word defines the essence of Camp Wachusett and is used often among camp friends.

Daily camp activities schedule

reading, movies,
campfire, etc.

9:30 PM
Lights out

"We wanted you to know how impressed we were with your camp - from the activities to the excellent leadership to the personal touch and small size." *Parent*

A Word to Parents

At camp in 1985

"My association with Camp Wachusett spans more than 40 years, beginning as a ten year old camper in 1976. Subsequently, I have risen through the ranks in nearly every position on staff, gaining the total camp experience. Now as owner and director, I am able to utilize my camp background to nurture a fun and safe environment for boys to explore our many outdoor activities

and to develop new skills. Like our other senior staff members, I have a teaching background: fifth through eighth grade math at a small private school.

Nearly all of our counselors began at Wachusett as campers and are well qualified at the activities they teach as well as the responsibilities of cabin supervision. Nursing staff reside on the campus and are accessible at all times.

Alumni recall fondly their many great experiences at Wachusett, always noting the enthusiasm of their counselors and the camaraderie of their cabin mates. Many alumni remain actively involved and often return to provide help during pre-season or to attend reunions.

*Phil Williams
Owner | Director*

A low camper to staff ratio ensures that each boy is well known and celebrated. We will work hard to give your son an adventurous experience full of personal growth, newfound knowledge and fun.

Unaliyi - from the "Camp where friendships grow."

Sincerely,

Phil Williams
